We are given an example of a mother who didn’t do it right. What is an antidote for this bad example? Our church ought to be a church that is A FAMILY OF FRIENDS and A FRIEND TO THE FAMILY!! If we are going to have mothers who do it right, there must be the following:

- 1. If you are not saved, then come to Jesus _____ of your sin and placing faith in Him as your Savior.**
- 2. Secondly, _____ to build your home on the Word of God.**
- 3. Thirdly, get under and _____ on the ministry of a God-anointed pastor.**
- 4. Fourthly, _____ firm in praying for your family and for our country.**
